**Re: The Satanic Temple, Inc. v. Saucon Valley School District**  
**Docket No. 5:23-cv-01244-JMG**

Dear Judge Gallagher:

As a follow-up to my letter from earlier today (ECF No. 30), the District also wants the Court to be aware that the Saucon Valley PTO is scheduled to rent Saucon Valley School District ("District") facilities before the end of the 2022-2023 school year. The District did not identify the Saucon Valley PTO previously because unlike the other four organizations that were identified in my previous correspondence (Borough of Hellertown Civil Service Commission, Saucon Valley Youth Lacrosse, Hellertown Yard Goats, and Saucon Valley Youth Sports Spring Flag Football), this organization is a school-affiliated organization (like school activity booster clubs), not an outside organization that is completely independent of the District.

That said, if the Board adopts the revised version of Policy 707 on April 25, 2023, even school-affiliated organizations, like the Saucon Valley PTO, must comply with the revised Policy, including the 6:00 p.m. start time that Ms. Vlasaty discussed yesterday. In the interest of full disclosure, we wanted the Court to be aware of this school-affiliated organization in addition to the four non-school affiliated organizations identified previously that will be affected if the Board adopts a revised version of Policy 707.

Further, in response to a request from the Satanic Temple for the District to share with the Court the dates and times when all of these organizations are scheduled to use District facilities, please see the below chart that includes the requested information:
